

Group work: Ghana's pathway to achieve universal health coverage

Reinhard Busse*

Peter Agyei Bafour**

* Department of Health Care Management (WHO Collaborating Centre for Health Systems Research and Management), Technische Universität Berlin, Germany & European Observatory on Health Systems and Policies

** School of Public Health, KNUST, Kumasi, Ghana

Group Work

First 90 min (8:00-10:00):

- Same groups as on Friday
- 90 minutes group work
 - Discuss Ghana's pathway to UHC

Second 90 min (10:30-12:30):

- Present Ghanas pathway to UHC
 - 10 min presentation per group + 5 min discussion
 - 15 min general discussion and wrap-up

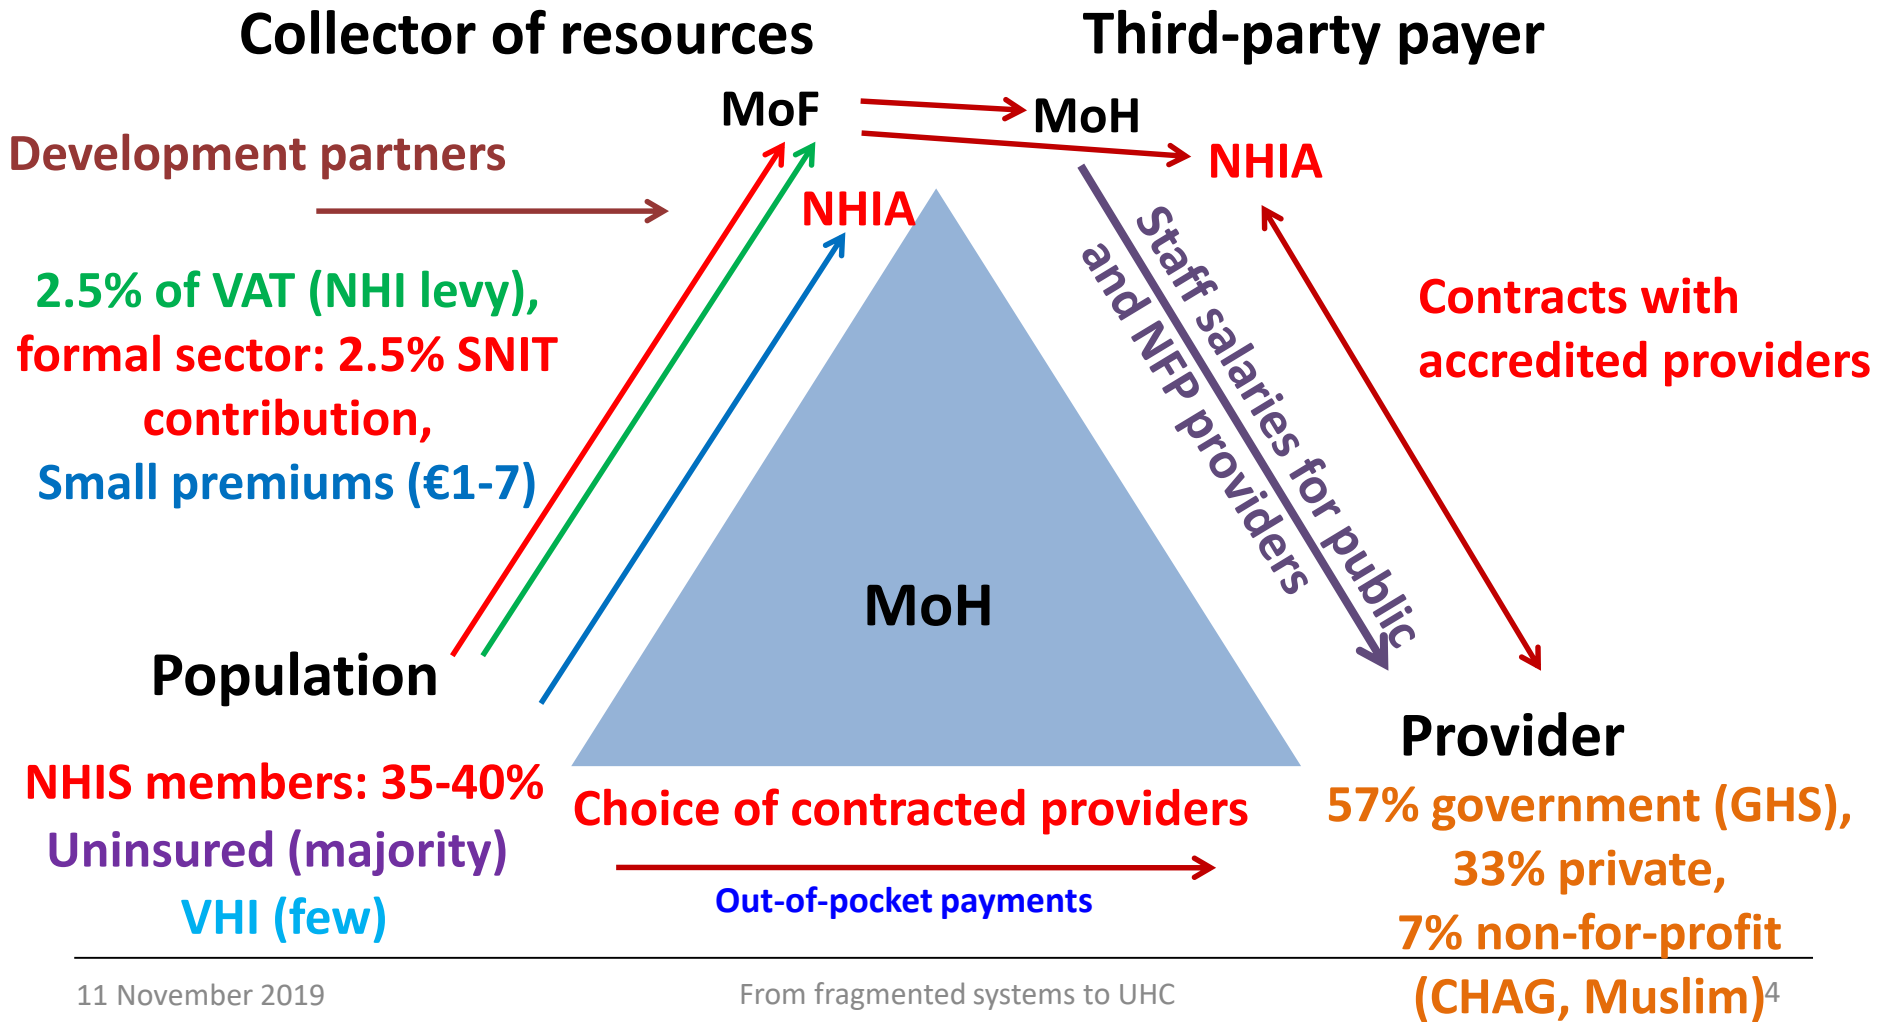

Group task

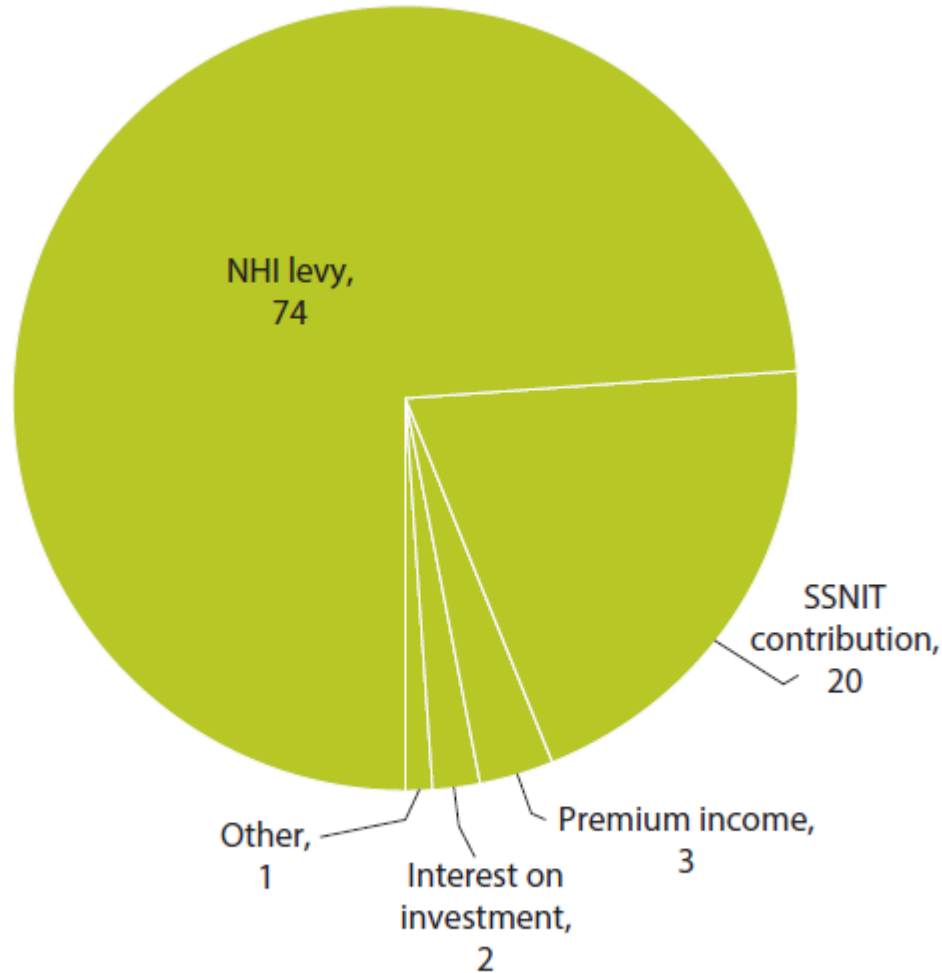

1. Identify the most important challenges for the Ghana health system to reach UHC
2. Discuss the content of the lectures of the first week: what options are available to achieve UHC? And how can they be implemented (revenue generation, actors, functions, financial flow)?
3. Prepare a presentation (max. 10 slides):
 - Main challenges for UHC in Ghana: <3 slides
 - Options to achieve UHC: 2-3 slides
 - A pathway to achieve UHC: 3-4 slides
 - Conclusions: 1 slide
